**Educating African American Students: And How Are the Children?** Gloria Swindler Boutte

Focused on preparing educators to teach African American students, this straightforward and teacher-friendly text features a careful balance of published scholarship, a framework for culturally relevant and critical pedagogy, research-based case studies of model teachers, and tested culturally relevant practical strategies and actionable steps teachers can adopt. Its premise is that teachers who understand Black culture as an asset rather than a liability and utilize teaching techniques that have been shown to work can and do have specific positive impacts on the educational experiences of African American children.
