Imagine! A God Blessed America: What It Would Look Like and How It Could Happen Richard Land
In *Real Homeland Security: The American God Will Bless*, Richard Land sounded a call to revival based on God's conditional promise in 2 Chronicles 7:14. In *Imagine! A God-Blessed America*, Dr. Land will pick up where he left off by exploring in depth the intriguing question: What would that blessing look like? by looking at God's promises recorded in Ezekiel 34:23-31 which includes, "I will make a covenant of peace with them . . . I will bless them and the places surrounding my hill. I will send down showers in season; there will be showers of blessing." Too many Christians have resigned themselves to a fatalistic perspective on our decadent society. However, Dr. Land believes the "divine tipping point" is within our reach and God's blessing is a very real possibility for our time. Readers will be inspired to believe their faith can make a difference, and they can help forge a better life for themselves, the next generation, their culture, and their nation.
