Latinos in College: Your Guide to Success Mariela Dabbah

The new "Bible" for college-bound Latino students and for those freshmen who are struggling to stay in school. This book is written from the perspective of Latino culture and takes into consideration that many students are the first ones in their families to go to college. It provides a road map for choosing the right school, finding mentors, internships, scholarships and navigating the system successfully until graduation. Featuring a balanced combination of tool box and inspiration, this books is full of real life stories of successful college graduates and of quotes from students and experts.It offers a unique Latino perspective that makes readers identify with the stories and the advice.
