College Roommate First Time Lesbian Romance Now With A Special Surprise Bonus Inside**

Maggie Rousseau has just moved from Los Angeles to attend a performing arts college in Vermont. Everything is smaller, and colder, than she is used to, and the work is even harder than her music-focused high school had prepared her for. Maggie thought she'd never have time to make friends, or have a social life.

But then she met her roommate, and everything changed.

Clover Bloomwood is a beautiful acting student, full of confidence and life, with a glow of happiness that Maggie finds utterly intriguing. At first, Maggie doesn't understand her feelings for Clover, but when Clover reveals to Maggie that she's a lesbian, Maggie thinks there may be more to their friendship than she first realized.

But Clover has a girlfriend, a gorgeous, smart girlfriend, and Maggie doesn't think she could ever compete anyway. Will Maggie explore these new feelings she's experiencing? And will Clover even want to help Maggie discover what it means to fall into a new kind of love?
