*Neville Wylie*

## **Britain, Switzerland, and the Second World War** Neville Wylie

This is the first comprehensive account of Britain's relations with Switzerland during World War II. It explains why Britain remained apparently so impassive towards Switzerland's financial and economic collaboration with the Axis and why it did so little to try to liberalize Switzerland's restrictive refugee policy. The extent and importance of Britain's covert activities in Switzerland are exposed for the first time.
