#### **Jose Rivera:**

As a student exactly feel bored to reading. If their teacher expected them to go to the library or even make summary for some book, they are complained. Just very little students that has reading's heart and soul or real their pastime. They just do what the professor want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that reading through is not important, boring and can't see colorful images on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Public Speaking: Strategic Choices can make you truly feel more interested to read.
