Prince Aubrey thought his family was safe following the arrest of his traitorous uncle during the summer's Tri-fete, but he soon learns the man's assassination attempt on the Hight King was only the tip of the iceberg.

The court is about to descend into chaos as Aubrey and his loyal companion, the Honorable Winston Dupuis, begin investigating Lord Riven's claims that treachery and betrayal in Pacchia are much older than any of them had previously suspected.

Meanwhile, Aubrey continues to struggle with his duties to the kingdom and his duties to his own heart as the noble alphas begin circling for his hand in courtship.

Nothing will ever be the same in the mythical kingdom of Pacchia. Based on the a/b/o gender structure.

This story contains explicit M/M content.
