New and Old World Philosophy: Introductory Readings Vincent Luizzi, Audrey McKinney

A manageable and meaningful introduction to American pragmatist philosophy that is designed to encourage independent critical thinking. The authors combine selections from great contemporary thinkers with Old World philosophers to provide a broad view of a variety of philosophical issues. Extensive selections and approaches on art; religion; mortality; knowledge; society; and reality. For individuals who want to familiarize themselves with both American philosophical thinkers and the Old World great thinkers, as well as those interested in improving their own critical thinking capabilities.
