‘A debt is a debt is a debt.’

It's not your debt. It's your cousin's. And he's done a runner.

So now the local gangland bosses have come to *you* for repayment. They aren't taking 'no' for an answer, but they will take your fingers - one by one - if you don't get hold of the money. Very soon.

You've got to think fast. You've got to act fast. And then you'll have to get out of here – as fast as you can.
