The story is set in 1757, during the French and Indian War (the Seven Years' War), when France and Great Britain battled for control of North America. During this war, the French depended on its Native American allies to help fight the more numerous British colonists in the Northeast frontier areas. A massacre at a colonial garrison, the kidnapping of 2 pioneer sisters by Iroquois tribesmen, the treachery of a renegade brave, and the ambush of innocent settlers create an unforgettable picture of American frontier life in this imaginative, innovative, and classic 18th-century adventure.
