## A Prince Among Men (Red, Hot, & Blue Book 9) Cat Johnson

*Who needs a prince when there's a sexy soldier in your bunk? Hoo rah!* Sergeant Ryan Pettit blogs anonymously as Groundpounder, recording non-confidential details of a deployment where every day feels exactly the same--until a female reporter shows up at his firebase. And he realizes nothing will ever be the same again. Though his orders are clear--protect her, but make her life so miserable she high tails it back to London--the last thing he wants is to watch her leave in a cloud of Afghanistan dust.

Intrigued by Groundpounder's blog posts, Vicki Vanover flirted, bribed, and outright threatened her way to the front lines outside of Kandahar. Nothing has ever stopped her from getting a story, but an accidental night in Ryan's bunk is a distraction--and attraction--she never anticipated. Yet Afghanistan leaves Vicki with more questions than answers. Why won't Ryan let her anywhere near the local women she wants to interview? Who is the mysterious, red-headed Lt. Wales everyone treats with such deference? Worst of all, why is watching Ryan run toward danger, instead of away from it, enough to stop her heart?

Warning: Contains super-hot sexual encounters in the war zone.
