Paranormal Intruder: The Terrifying True Story of a Family in Fear Caroline Mitchell
The terrifying true story of a family in fear

An innocent family finds itself completely helpless against the sudden onset of **paranormal activity** in their quiet rural home. A knife embedded in a kitchen cupboard, crockery smashed by invisible hands, and blood-chilling growls emit from thin air. Caroline and her husband Neil search for answers as they try to protect their family from the unseen entity that seems determined to rip them apart.

The biggest question looms over them like a dark cloud who is going to help us? There are emergency services for many things, but not of this nature. It might be easier to believe temporary insanity, if not for the vast amount of witnesses. Police, fire services, mediums, priests and investigators all become embroiled in the mystery. The family struggles to cope, and Caroline grows concerned for her husband's failing health as he withdraws from the world. However, the entity has only just begun.

Paranormal Intruder is the **true story** of one family's brave fight against an invisible entity. Described as one of the **best documented cases of paranormal activity**, this best selling book will stay with you long after you have finished reading it.
