Religious Freedom and the Supreme Court

Ronald Flowers, Melissa Rogers, Stephen Green

Religious Freedom and the Supreme Court Ronald Flowers, Melissa Rogers, Stephen Green
Toward Benevolent Neutrality (5th edition, 1996), a longstanding favorite for professors of church-and-state relationships in the U.S., has been revised and updated by one original author, Robert B. Flowers, and two new ones, Melissa Rogers and Steven K. Green. *Religious Freedom and the Supreme Court* contains a new introduction clearly explaining specific ways the Court delineates the idea of religious freedom on a case-by-case basis. As clearly written as its predecessor, and as appropriate for the classroom, this new book contains explanations of more recent cases, decided by a contemporary Supreme Court. It is clear, relevant, and an essential text for the twenty-first century.
