Samurai: The World of the Warrior

Stephen Turnbull

Samurai: The World of the Warrior Stephen Turnbull

The world of the samurai - the legendary elite warrior cult of old Japan - has for too long been associated solely with military history and has remained a mystery to the general reader. In this exciting new book, Stephen Turnbull, the world's leading authority on the samurai, goes beyond the battlefield to paint a picture of the samurai as they really were. Familiar topics such as the cult of suicide, ritualised revenge and the lore of the samurai sword are seen in the context of an all-encompassing warrior culture that was expressed through art and poetry as much as through violence. Using themed chapters, the book studies the samurai through their historical development and their relationship to the world around them - relationships that are shown to persist in Japan even today.

From reader reviews:

Douglas Ayer:

As people who live in the particular modest era should be revise about what going on or details even knowledge to make them keep up with the era that is always change and advance. Some of you maybe can update themselves by studying books. It is a good choice for yourself but the problems coming to you is you don't know what one you should start with. This Samurai: The World of the Warrior is our recommendation to cause you to keep up with the world. Why, as this book serves what you want and wish in this era.

Gary Landrum:

Playing with family in the park, coming to see the ocean world or hanging out with good friends is thing that usually you may have done when you have spare time, subsequently why you don't try issue that really opposite from that. One particular activity that make you not feeling tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love Samurai: The World of the Warrior, you can enjoy both. It is great combination right, you still need to miss it? What kind of hangout type is it? Oh can occur its mind hangout fellas. What? Still don't understand it, oh come on its named reading friends.

Johnny Sutton:

What is your hobby? Have you heard this question when you got scholars? We believe that that issue was given by teacher on their students. Many kinds of hobby, Everybody has different hobby. So you know that little person like reading or as studying become their hobby. You need to understand that reading is very important along with book as to be the point. Book is important thing to provide you knowledge, except your teacher or lecturer. You get good news or update with regards to something by book. Different categories of books that can you take to be your object. One of them is actually Samurai: The World of the Warrior.

Richard Chambers:

Reading a book make you to get more knowledge from that. You can take knowledge and information from a book. Book is published or printed or illustrated from each source which filled update of news. In this modern era like now, many ways to get information are available for you actually. From media social just like newspaper, magazines, science publication, encyclopedia, reference book, new and comic. You can add your understanding by that book. Are you ready to spend your spare time to open your book? Or just seeking the Samurai: The World of the Warrior when you desired it?
