The Big Sea: An Autobiography

Langston Hughes, Arnold Rampersad

The Big Sea: An Autobiography Langston Hughes, Arnold Rampersad

Langston Hughes, born in 1902, came of age early in the 1920s. In *The Big Sea* he recounts those memorable years in the two great playgrounds of the decade - Harlem and Paris. In Paris he was a cook and waiter in nightclubs. He knew the musicians and dancers, the drunks and dope fiends. In Harlem he was a rising young poet - at the center of the "Harlem Renaissance."

Arnold Rampersad writes in his incisive new introduction to *The Big Sea*, an American classic: "This is American writing at its best - simpler than Hemingway; as simple and direct as that of another Missouri-born writer...Mark Twain."
