A LITTLE FAITH is a novel with a lot of 'feels'. This sexy brotherhood of characters will surprise you with their wit and depth. Some will expose their raw vulnerability more than others and little surprises are waiting for you around every corner. "You never know how strong you are until being strong is the only choice you have." ~ Bob Marley Faith was nearly fifteen when her life was torn apart, she sheltered herself from knowing anything about that fateful day. Six years later she is older and stronger and has decided to confront this brotherhood of hot men she ignored for her own survival. Harley, Keanu, Text, Levi and Retro will reveal to Faith all is not what it seems and she will discover the level of strength these friends possess. Faith will come to realize the secrets they have all been shielding her from in humorous and emotional ways. She isn't going back to Dallas in a hurry, not until she can help those that need her the most. This is the first installment in The Men Of Ocean Beach series. A story of new beginnings, a strong brotherhood of sexy guys and a love that has been lost along the way. There are twists and surprises that will tug at your heart as well as make you laugh. Humor is a weapon that can only last so long until life peels back the layers and what is underneath and hurting shows through. Faith wasn't there for them when they needed her, but she damn well will make sure she is now. One by one each man will find their HEA because sometimes... you just have to have A Little Faith.
