## **Dude, Where's My Country?** Michael Moore

From the author of the #1 New York Times bestseller *Stupid White Men* comes a hilarious act of sedition to overthrow the 'Thief in Chief'-and effect the kind of change that just may save the country. Michael Moore is on a mission: He aims to unseat the man who slithered into the White House on tracks laid by guilty Enron execs and greased with his daddy's oil associations. And as for 'The Left,' they're just as satisfied to stand idly by as the chasm between the 'haves' and 'have nots' grows wider and wider. That's right, Michael Moore is back with a new book that reveals what's gone wrong in America and, more importantly, how it can be fixed. In his characteristic style that is at once fearless and funny, Moore takes readers on another wild ride to the political edge of righteous laughter and divine revenge.
