Sodium Bicarbonate - Full Medical Review Mark Sircus

This book is for all individuals interested in taking responsibility for their health and medical treatments. It is the first comprehensive medical review of sodium bicarbonate, which is an essential medicinal for every emergency room, intensive care ward, dental office, clinic and home medicine cabinet. Sodium bicarbonate (Baking Soda) is one of the most useful substances in the world of medicine; it has been used for decades as an adjunct in chemotherapy and is used commonly in emergency room and intensive care wards around the world.

This book has a special focus on the use of sodium bicarbonate for cancer treatment but also covers its use in areas of kidney disease, diabetes, treatment of flu, the common cold and other areas of general medicine. Sodium bicarbonate (baking soda) is a true work horse medicine that does everything from saving lives in a heartbeat to curing or diminishing a common cold.
